Rusty Warner is spearheading the Shriner's/Rotarian joint project that is helping to send medical supplies to the Shriner's Hospital in Greenville, SC. The Shriner's Hospitals have a wonderful mission and that is to provide the best care for children in the areas of Orthopedics, Burn Care, Spinal Cord Injury and Cleft Lip and Palate, regardless of a family's ability to pay. The first Shriner's Hospital was founded in 1922. Rotarians from District 6900 recently delivered 2 wheelchairs to Greenville, SC and this will be a regular project we will work with FODAC to make sure that Shriner's Hospitals have access to the medical equipment their patients need. If you have the time plan to help load, drive or deliver this equipment in the future when FODAC has equipment ready to go.
