Vocational Service is one of Rotary’s Avenues of Service. Through Vocational Service we:

- Serve others by using our unique skills to address community needs
- Empower others through training and skill development
- Inspire others to act with integrity by following Rotary’s guiding principles

Vocational Service includes:

- Connecting our professions and professional networks with our Rotary club activities
- Using our expertise to address community problems and help others discover new vocational opportunities and interests
- Promoting Rotary’s commitment to integrity in our professional as well as personal lives

Professionals join a Rotary club as representatives of their particular business or profession. Rotarians have a dual responsibility: represent their vocation within their club and to exemplify the ideals of Rotary in their place of business.
